Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Wednesday 02 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and sunny, breezy with low cloud around the northeast.

Today:
Generally dry and warm or very warm with plenty of sunshine, although cooler in the east due to brisk onshore winds. Low cloud and haar around some North Sea coasts at times and may begin to push inland later.

Tonight:
Staying dry in the west with plenty of evening sunshine. Cloud and mist spreading inland in the east with brisk winds, feeling chilly here.

Thursday:
Haar soon clearing in the east but more in the way of cloud in the south and west with a few showers possible here, otherwise bright and sunny.

Outlook for Friday to Sunday:
Generally dry and bright but more cloud for the west and clearer in the east. A few showers popping up on Saturday and rain likely for the west early Sunday.
